

Huntsville FC NEW Jr Academy Program serving our U6 through U8 players

HFC's newly designed program will provide a traditional recreational (AYSO) style program with the extra component of coaching leadership from our professionally trained Directors.

What to expect:

- Open registration – NO Tryouts
 - Volunteer parent coaches to have their own teams
 - Parity teams after evaluations
 - True TEAM environment
 - League schedule with real games and referees
 - Certified parent coaches within house education/certification
 - Published curriculum from HFC Directors to ensure player development
 - Shared training with our Director of Coaching
 - DOC will rotate between groups weekly
 - Parent's day where players train and compete with their parents
 - Festival days where Madison and Huntsville programs meet to compete
 - Season ending festival with games, fun, and food for everyone
- Did we mention – FUN!**

Why choose HFC over other recreational programs?

HFC is the leader in elite soccer for North Alabama. Now we have extended that leadership and expertise into the recreational ages. The mix of parent volunteer coaches under the guidance of our professional directors will maximize the players development while still providing the "team and league" environment players and parents are looking for.
